

Victory Stitch

Getting Started! I suggest using 4-ply yarn and a “K” sized hook for best results.

Chain 44 loosely

Row 1 - DC, CH 1, DC all in fifth chain from hook (V-Stitch made). *Skip next two CHs, work VS in next CH. Repeat from * all the way across to the last 2 CHs, DC in last CH.

Row 2 – CH 3, turn, work VS in each “Chain 1 spaces” across, DC in top of beginning CH.

Repeat - Repeat row 2 until piece measures 18 – 20 inches.

Edging - Edge with two rows of HDC crochet, putting 3 stitches into each corner.

Key:

VS – Victory Stitch

CH - Chain

DC – Double crochet

SC – Single crochet

HDC – Half double crochet
