

Peanut Butter Doggie Treats

Ingredients

- 2 Cups** Whole wheat flour
- 1 Tbs** Baking powder
- 1 Cup** Peanut butter
- 1 Cup** Milk

Directions

These are fun to make because they are easy to make! They also don't require a lot of ingredients, so you'll probably have the items on hand. You know exactly what's in them, so you know they're healthy....and your pup will love them!

- 1** – Preheat oven to 375 degrees.
- 2** – Mix the dry ingredients (flour and baking powder) in one bowl, and the wet ingredients (milk and peanut butter) in another. Then blend the combined wet ingredients into the dry ones.
- 3** – Roll out the dough on a lightly floured surface to ¼-inch thickness. Cut out shapes using any cookie cutters you may have (or purchase a dog bone shaped cookie cutter!).
- 4** – Place the cookies on a baking sheet (lightly greased) and bake them for 20 minutes maximum (they burn easily!).
- 5** – Cool them completely and watch your puppy devour them! Refrigerate any leftovers, but there may not be many!
